Continuing Education Programme (CEP)

The PVAI VPO & PVA(I) warmly invites you in the land of “**Lord of Three Worlds**” (**Tribhuvaneshwara**) Bhubaneswar. Bhubaneswar is the capital and largest city of the Indian States of Odisha. Bhubaneswar is dubbed as the 'Temple city' a nick name earned because of the 700 Temple which once stood there. Now a days, it has emerged as an education hub and an attractive business destination. Bhubaneswar replaced Cuttack as the capital on 19th Aug 1949. The modern city was designed by the German Architect Otto Konigsherger in 1946 along with Jamshedpur and Chandigarh.

It was one of modern India's first planned cities. City is in Khordha district of Odisha. It is in costal palms along the axis of the Eastern Ghat Mountains. The city is bounded by the Dayariver & Kaakhai river. The Chandaka windpipe sanctuary and Nardankanan Zoo - lies in the western and northern parts of Bhubaneswar. The old town is characterised by many temples including Lingaraja Nilkantha Shiva, Rajarani & Mukteshwar Temple. World Famous temple of Jagannath Puri is very near to the city. Apart from the ancient temples, other important temples were built in recent times include Ram Mandir and ISKCON.

Nearest airport is Biju Patnaik airport and city is connected by other means of transport all over the country. Temperatures in Bhubaneswar usually range from 11 to 44 °C (52 to 111 °F). The main language spoken in the city is Odia. However English & Hindi are understood by most residents. Odisi is also very popular folk dance alongwith music.
